CHC43121 Certificate IV in Disability Support

Qualification description

This qualification reflects the role of individuals in a range of community settings and peoples' homes, who provide support in a manner that empowers people with disabilities to achieve greater levels of independence, self-reliance, community participation and wellbeing. Workers promote a person-centred approach, work according to and may contribute to an individualised plan, and work without direct supervision. They may be required to supervise and/or coordinate a small team.

The skills in this qualification must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.
